of each month at the
Greensboro Council of
Garden Clubs Building
on the campus of the
Natural Science Center
4301 Lawndale Dr.
Greensboro, NC 27455
at 1:00**

May Program

We are having an enthusiastic speaker for our May meeting, Lucinda Winn of J & L Orchids, Easton Connecticut.

Lucinda Winn grew up in Missouri, and received both her BS and MS degrees from the University of Missouri. Her love affair with orchids began when she saw her first mounted orchid plant in the mid 70's. Lucinda's first job in orchids was at Zuma Canyon Orchids in Malibu, California.

In 1979 J&L Orchids went up for sale, and Lucinda bought it along with her two partners, Marguerite Webb and Cordelia Head. Over the years, J&L has carved out a reputation for growing fine miniature orchids, as well as many interesting and rare genera, especially in the Pleurothallidinae. J&L has won many awards for their exhibits world wide.

Lucinda has spoken at two World Orchid Conferences, European Orchid Congresses, British Orchid Congresses, as well as throughout the United States and Canada. Her topic will be Miniature Orchids. She will also have plants for sale.

Dr. Bruce Hanes

Dr. Bruce Hanes passed away on April 21, 2014. A service celebrating his life will be held mid-summer in Gibsonville. Our sincerest condolences to Dorothea.

April Program

For our April program, members learned all about repotting orchids from compots which were purchased from Orchid Trail and H&R Orchids. Everyone learned something, got to take home some nice plants plus had a great time. Can't beat that!
