**Triad Orchid Society  
meets the second Sunday  
of each month at the  
Greensboro Council of  
Garden Clubs Building  
on the campus of the  
Natural Science Center  
4301 Lawndale Dr.  
Greensboro, NC 27455  
at 1:00**

## **Auction Time!**

September is here and it is time for our annual auction. If you have any plants, divisions of plants, seedlings, or orchid related items you would like to donate, please bring them to the meeting on Sunday. We have already received some plants from the Orchid Trail and reports are that they are very nice. But most of all we need you to come on Sunday, with checkbook in hand, and support our auction. This is our major fundraiser for the year and we need the money to pay for speakers and rent on the building.

The building will be open at 11:30 on Sunday and our potluck lunch will begin shortly after noon. The auction will start at 1:00. If you haven't finished with your lunch when the auction begins, just keep on eating. You only need one hand to hold up your bidding paddle.

**Jack, our auctioneer, working hard at last year's auction.**

## August Meeting

Many of our members traveled to Morrisville on August 10 to visit with John Stanton at the Orchid Trail. John has a nice facility with seven greenhouses in the “old” section of Morrisville. John gave our members a tour of several of the greenhouses and he and Paul Fever were available to answer any questions.

## Very Short Newsletter

This is going to be short newsletter this month. We didn't have a show table in August and won't have one this month either. In October we will have Tom Harper from Stones River Orchids in Tennessee as our speaker. His specialty is phalaenopsis and he will be speaking on phalaenopsis species. Then in November Tom Miranda will talk about the orchid collection at the Smithsonian Institute in Washington, DC. Tom is the curator of the collection and you don't want to miss his talk. December is our annual Christmas party and all of a sudden it is 2015. What happened to 2014?
