Triad Orchid Show

The Triad Orchid Show for February 26-March 1 was cancelled due to winter weather conditions.

Even though we were unable to have this show, we want to thank everyone for their dedication and prior participation. There was a lot of work put into pre-show scheduling and Vendors/Exhibitors preparation. We thank you all.

February 8, 2015 meeting there were 17 members/visitors in attendance. Thanks to Anthony Curtis for presenting our program on:

"Steps To Being A Successful Small Grower".

Our program for March 8th will be a "REPOTTING" event.

All items will be supplied (plants, media, pots) and we will get first hand instructions on repotting orchids. Thanks to Tammy Goldberg and Ken Karb for getting the supplies needed for this event.
