| <p><u>Officers</u> President Steve Davis</p> <p>Vice-President Chad Greene</p> <p>Secretary Will Bottoms</p> <p>Treasurer Gay Sharpe</p> <p><u>Board</u> Ken Karb Don Richman Annette Hastie Tammy Goldberg</p> <p>Triad Orchid Society meets the second Sunday of each month at the Greensboro Council of Garden Clubs Building on the campus of the Natural Science Center 4301 Lawndale Dr. Greensboro, NC 27455 at 1:00 PM</p> | <p style="text-align: center;">September 11, 2016 Meeting</p> <p style="text-align: center;">Annual Orchid Auction</p> <p>Our September meeting will be the Triad Orchid Society's annual auction. Jack Kepley will be our auctioneer and there will be many fabulous plants available. Plants will be obtained from The Orchid Trail and Jack Kepley's personal collection. If you have any plants that you would like to donate to the auction, please send a list Will (wbottoms@gmail.com) or Chad (jchadgreene@gmail.com). We would like to have pictures of flowers of most plants available for auction so that folks know what they are bidding on.</p> <p>Donation announcement: The Triad Orchid Society has received a donation of several boxes of orchid supplies including sphagnum moss, pots, cloning supplies and mounts. These items were donated by the friends of a local collector (not a member of our society) who has recently passed away. They will all be for sale at a Farmer's Market this meeting. All proceeds will go to the Triad Orchid Society. If you want to bring plants or supplies for the Farmer's Market feel free. Please make sure that items that will benefit the society are clearly labeled as are those that will be paid directly to the grower.</p> <p>First show of the 2016-2017 season: It's almost that time of year. Late Autumn is the beginning of our show season. I'm sure this year will be full of great displays by our society. November 18th through the 20th will be the 2nd Annual "Fall for Orchids" Show hosted by the Triangle Orchid. The event will be held at the Sarah P. Duke Gardens on the campus of Duke University. Please keep this date in mind as we will need lots of blooming orchids and foliage plants for our display this year.</p> |
