The Big Moving Party, Part Deux

First, thank you to everyone who came to help with our move! It was quick and painless and we couldn't have done it so well without you.

Second, we will be going back to the AB Seed Education Annex on Saturday, January 28th to do some general cleaning/organizing on the rooms that we will be using for our meetings, office space and show. If you would like to participate, Chad and I will be there around 10AM until we get finished.

Bring any cleaning supplies that you want to donate to the cause.

Upcoming Shows

The Triangle Orchid Society will not be holding a show this year due to conflicts with dates at the Daniel Stowe Botanical Gardens and the travel schedule of some of their show coordinators.

Orchids on the Riverbanks Festival, SCOS Show & Sale

Our next show will be Orchids on the Riverbanks Festival, the South Carolina Orchid Society Show and Sale. The South Carolina Orchid Society, Ikebana International Chapter 182 and Riverbanks Botanical Garden present Orchids on the Riverbanks Festival. The show will take place from February 10-12, 2017. Admission to the show is free with the purchase of admission to the Riverbanks Zoo & Botanical Gardens. You can purchase tickets via this link ([Riverbanks Zoo & Botanical Gardens Tickets](#)) to save around 15% off admission at the gate.

Show hours:

Friday, February 10th -- 1PM to 5PM

Saturday, February 11th -- 9AM to 5PM

Sunday, February 12th -- 9AM to 5PM

Volunteers are still needed for this show. If you are interested in helping out with setup or breakdown or you have any flowering orchids you would like to have entered, please contact Will Bottoms (wlbottoms@gmail.com). This is a long drive, but the show is pretty spectacular and they usually have

some great vendors as well. It's been a lot of fun to get to do these shows, but the more help we have the better our overall display will be!

March of Orchids, TOS Show & Sale

March of Orchids, presented by the The Triad Orchid Society, will run from March 3rd through the 5th at the AB Seed Education Annex. Admission will be \$5 for adults. At our meeting on February 12th we will discuss volunteer needs and other details about the show. If you have an idea of someone who may be willing to donate a prize to our raffle, please send the information to Will Bottoms (wlbottoms@gmail.com) along with an idea of what goods or services they generally provide. The raffle will be dependent upon the number of donations we can procure. Remember that we will need many more flowering orchids and other non-flowering plants for our exhibit at our show in March because we put in a much larger display. Be prepared to bring any plants that you have in bloom that you are comfortable leaving in our care. The more plants, the better our display will be!

We will need plenty of volunteers to help with all aspects of the show. If you are interested or have some time to help out the lists below show the opportunities for which you can volunteer.
