Orchids on the Riverbanks Festival, SCOS Show & Sale

Thank you to everyone who came to help with set up or break down or donated plants and all those who visited the show. Check out some photos of our display on our Facebook page (<https://www.facebook.com/TriadOrchidSociety>) and check out photos of all the displays on the Carter & Holmes Facebook page (<https://www.facebook.com/carterandholmesorchids>).

March of Orchids, TOS Show & Sale

March of Orchids, presented by the The Triad Orchid Society, will run from March 3rd through the 5th at the AB Seed Education Annex. Admission will be \$5 for adults. If you have an idea of someone who may be willing to donate a prize to our raffle, please send the information to Will Bottoms (wlbottoms@gmail.com) along with an idea of what goods or services they generally provide. The raffle will be dependent upon the number of donations we can procure. Remember that we will need **many** more flowering orchids and other non-flowering plants for our exhibit at our show in March because we put in a much larger display. Be prepared to bring any plants that you have in bloom that you are comfortable leaving in our care. The more plants, the better our display will be! We will need plenty of volunteers to help with all aspects of the show. If you are interested or have some time to help out the lists below show the opportunities for which you can volunteer.
